

### Cineworld Unlimited Card

Your Unlimited membership starts from today and you can use it immediately. Simply print this page or save it to your mobile device and show it at your local Cineworld cinema when you want to see a film, as it will work as your temporary pass. Please make sure you have an additional form of identification with you to present to box office staff and/or at the drop box (where your tickets are checked), such as a driving licence or bank card.

Your shiny new Unlimited Card will be posted to your address within 30 days. When it arrives, you'll be able to start enjoying all of the other current Unlimited membership benefits such as money off at our Unlimited partner restaurants.

To book tickets online and manage your Unlimited membership (including your email and SMS marketing preferences), you will need to register for a My Cineworld account. If you don't have one, you can create it [here](#). To book tickets online even faster, make sure to download the Cineworld app on [iPhone](#) or [Android](#).

As a new Unlimited customer you have agreed to a 3 month contract, full terms and conditions available at [www.cineworld.co.uk](http://www.cineworld.co.uk)
